

## Look! The Bridge is opening!

Look at the schedule and write what time  
The Bridge opens ...

1. \_\_\_\_\_
  2. \_\_\_\_\_
  3. \_\_\_\_\_
  4. \_\_\_\_\_
- 11

## Harley's suitcase

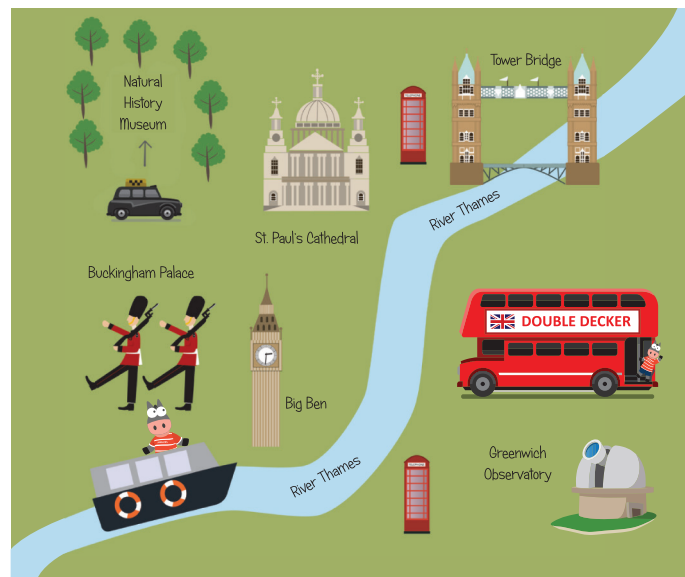

This is my suitcase. It has got a lot of things inside.

Circle the items Harley must take to London in case of bad weather and write their names below:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

### Here is the plan of my visit:

Can you name any famous places in London?

---

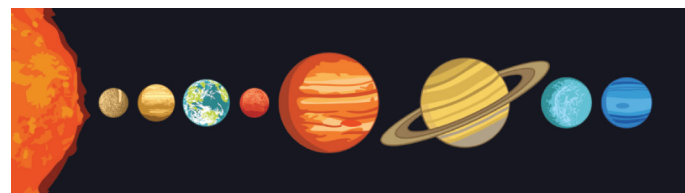

---

---

---

## The Royal Greenwich Observatory

It's time for the last attraction of the day. It's the Royal Greenwich Observatory.  
To get there I must take a boat.

Look at the picture of the Solar System. Do you know all the planets? Put their names in the right order. Mercury is number 1!

Mercury  
Uranus  
Earth  
Neptune

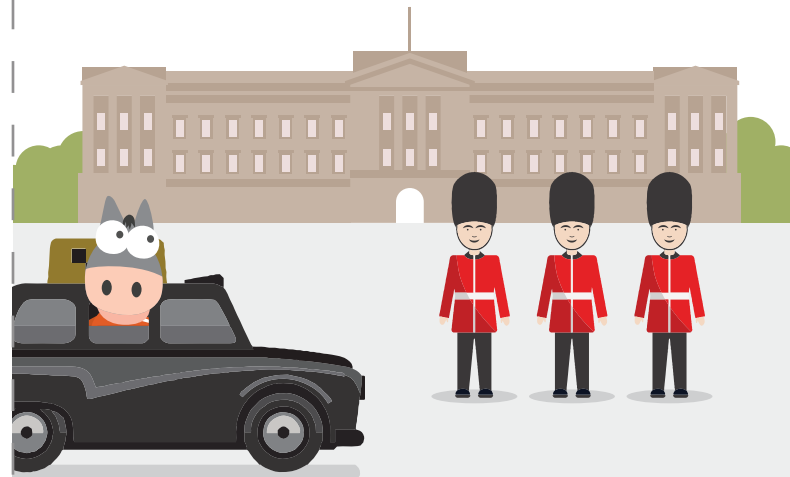

**Mars**  
**Venus**  
**Saturn**  
**Jupiter**

What is the name of our planet?  
It is \_\_\_\_\_

## Buckingham Palace

The King lives in Buckingham Palace.  
Can you see the men in the funny black hats?  
They are Royal Guards.  
They keep the monarch safe.

 The Guard's hat is called a BEARSKIN.

## London buses

From Buckingham Palace I take a bus to visit the Natural History Museum. There are a lot of interesting things there!

## Do you know?

 London buses are red and they have got two decks. That is why they are called DOUBLE DECKERS! :)

# Harley in London

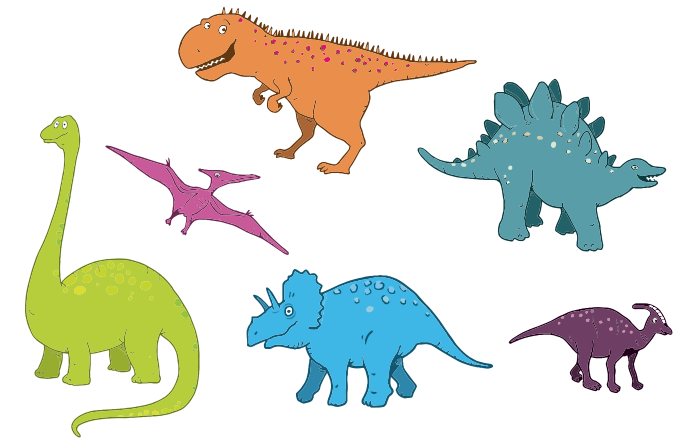

The Natural History Museum

In the Natural History Museum there are real dinosaurs. They are so big!

Some dinosaurs eat meat. They are called **carnivores**.  
Some dinosaurs eat plants. They are called **herbivores**.

Circle the dinosaurs which eat meat in **red** and the dinosaurs which eat plants in **green**.

Hello!

Hi! My name is Harley Horse and this weekend I'm travelling to London. Hurray!

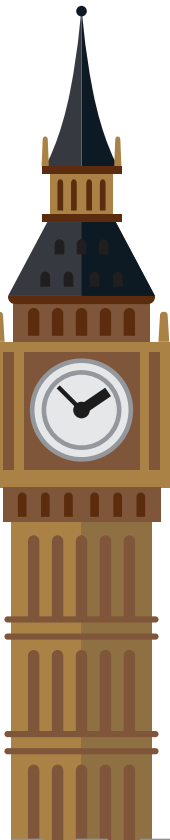

Have you ever travelled by plane?  
Yes, I have.                      No, I haven't.  
If YES, where? \_\_\_\_\_

Do you know?  
London is the capital city of \_\_\_\_\_

Big Ben

I will start my trip from the most famous clock in London.  
Do you know its name?

Do you know?  
Big Ben is the nickname for the bell and the clock in the Clock Tower.  
The Clock Tower is called Elizabeth Tower. It was named after Queen Elizabeth II in 2012.

Transport in London

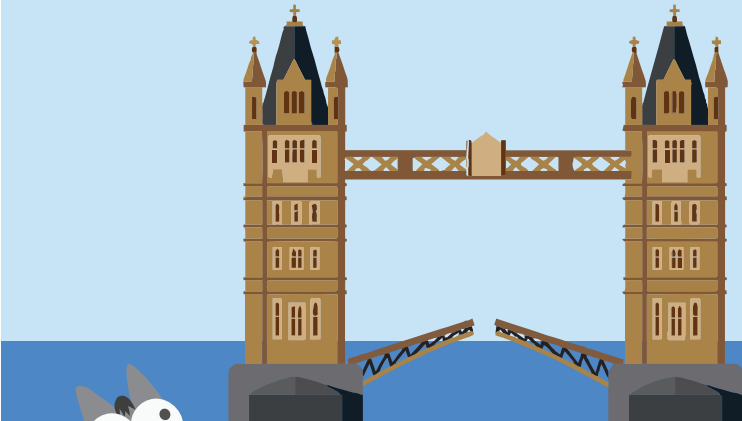

Even though I am a horse I am not fast enough to visit so many places in just one day. That's why I need to use some means of transport to travel around London.

Can you name any means of transport?  
Join the names with the pictures:

- a train
- a plane
- a car
- a bike
- a boat
- a bus
- a ferry
- a taxi
- a hot air balloon

The Museum was fun! But now I need to hurry to see how Tower Bridge opens. It doesn't happen very often. To get there I need to take an Underground train.

Phew! I'm on time :)

London is great! Look at my photographs.  
Do you remember the names of these things and places?

The London Eye

My day in London is almost over. Before I go home, I'll stop for a minute to take a ride on the London Eye! It's a huge Ferris wheel. You can take great photographs from the top!

The weather in London

In London it's always raining!  
So I put on my raincoat, my wellies and I take my umbrella.
